

Aging in Place

Home Modifications Program

The County of San Mateo Aging and Adult Services Division has a new program to help older adults and adults with a disability stay safe while living at home. ***Services are free of charge.***

How Do I Qualify?

- Must be at least 60 years of age or at least 18 years of age with a disability as defined by the Americans with Disabilities Act (ADA).
- At risk of falling, have had a fall and/or is at risk of institutionalization.
- Live in San Mateo County. There is no income eligibility requirement.
- If home is a rental, written consent must be obtained from the landlord for any installations.

What's The Process?

- Phone interview to qualify.
- In-home assessment by a credentialed provider of home modifications.
- Potential purchase and installation of minor injury prevention accessories if recommended.

Participants Must Also...

- Have a caregiver or family member during the assessment if needed.
- Be able to safely move around the home during the assessment.

Limited spots available.
